3DV 2015

International Conference on 3D Vision

ENS, LYON FRANCE

October 19th - 22th, 2015

Submissions are solicited on topics related to acquiring, modeling, analyzing, and visualizing 3D data. The event will provide a premier forum for diseminating ideas and results that cover a broad scope of topics related to 3D research in computer vision and graphics, from novel optical sensors, signal processing, geometric modeling, representation, and transmission, to visualization and interaction, and a variety of applications. All accepted papers will be published in the IEEE Conference Publishing Services (CPS) and indexed in IEEE Xplore and CSDL.
